

APACE AID INC

Native Plant Subsidy Scheme

2026

APACE AID INC. 1 Johannah St, North Fremantle, Western Australia. 6159 | P: (08) 93361262 | ABN: 700 978 074 40

Nursery Manager Anna Kosiarski (centre), with some of our nursery technicians & volunteers.

Our community nursery, on the banks of the Derbarl Yerrigan (Swan River), specialises in the propagation of native plants of Noongar Boodjar (the Swan Coastal Plain and Darling Scarp). Our team of nursery technicians, led by Nursery Manager Anna Kosiarski, is supported by committed volunteers working together to grow and care for our diverse array of native seedlings.

For 2026, we offer residents of our participating councils close to 200 species, some of which are endangered – a mix of ground covers, shrubs, trees, sedges and grasses.

Forestry tubes cost \$6 each shared equally between the council and residents (\$3 council, \$3 resident).

Native Plant Subsidy Scheme is running exclusively May 1st – May 30th, 2026.

Residents are welcome to purchase more than their individual council quota if they wish. For any extra purchases on the day, forestry tubes are sold at \$6/ea (inc. GST) for payment by card, merchant fees will apply.

THANK YOU TO OUR PARTICIPATING COUNCILS 2026

Plant list below to be used as an indication of available species being propagated by Apace Nursery. Quantities and availability subject to change

Genus & Species	Genus & Species
Acacia acuminata	Banksia petiolaris
Acacia cochlearis	Banksia prionotes
Acacia cyclops	Banksia prionotes Dwarf
Acacia dentifera	Banksia repens
Acacia extensa	Banksia telmatiaea
Acacia huegelii	Callistachys lanceolata
Acacia lasiocarpa	Callistemon phoeniceus
Acacia lasiocarpa Prostrate	Callitris preissii
Acacia microbotrya	Callitris pyramidalis
Acacia pulchella	Calothamnus quadrifidus
Acacia rostelifera	Calothamnus sanguineus
Acacia saligna	Carex fascicularis
Acacia splendens	Carpobrotus virescens
Acacia stenoptera	Casuarina obesa
Acacia truncata	Centella asiatica
Acacia xanthina	Corymbia calophylla
Acanthocarpus preissii	Corymbia ficifolia
Agonis flexuosa	Cymbopogon ambiguus
Allocasuarina fraseriana	Daviesia decurrens
Allocasuarina lehmanniana	Daviesia divaricata
Alyogyne hakeifolia	Dichondra repens
Alyogyne huegelii	Dielsia stenostachya
Anigozanthos manglesii	Dodonaea hackettiana
Anigozanthos viridis	Enchylaena tomentosa
Atriplex cinerea	Eremophila calorhabdos x splendens
Atriplex isatidea	Eremophila complanata
Austrostipa elegantissima	Eremophila denticulata
Austrostipa flavescens	Eremophila glabra Kalbarri Carpet
Banksia attenuata	Eremophila glabra subsp. albicans
Banksia attenuata Dwarf	Eremophila glabra Upright
Banksia blechnifolia	Eremophila subfloccosa
Banksia burdettii	Eremophila subteretifolia
Banksia grandis	Eremophila weldii
Banksia leptophylla	Eucalyptus beardiana
Banksia littoralis	Eucalyptus caesia ssp. caesia
Banksia menziesii	Eucalyptus decipiens
Banksia menziesii Dwarf	Eucalyptus erythrocorys

Plant list below to be used as an indication of available species being propagated by Apace Nursery. Quantities and availability subject to change

Genus & Species	Genus & Species
Eucalyptus erythronema	Juncus pauciflorus
Eucalyptus foecunda	Kennedia coccinea
Eucalyptus gomphocephala	Kennedia nigricans
Eucalyptus kruseana	Kennedia prostrata
Eucalyptus macrocarpa	Kunzea baxteri Pink
Eucalyptus marginata	Kunzea baxteri Red
Eucalyptus patens	Kunzea glabrescens
Eucalyptus platypus	Kunzea recurva
Eucalyptus preissiana	Lechenaultia floribunda Yellow
Eucalyptus rhodantha	Lechenaultia formosa Red
Eucalyptus synandra	Leucophyta brownii
Eucalyptus tenera	Lobelia anceps
Eucalyptus todtiana	Melaleuca cardiophylla
Eucalyptus torquata	Melaleuca fulgens
Eucalyptus wandoo	Melaleuca huegelii
Eucalyptus woodwardii	Melaleuca huegelii Prostrate
Ficinia nodosa (Syn. Isolepis) Nobby Club Rush	Melaleuca lateritia
Gastrolobium capitatum	Melaleuca megacephala
Gastrolobium nervosum	Melaleuca radula
Gompholobium tomentosum	Melaleuca scabra
Hakea amplexicaulis	Melaleuca seriata
Hakea laurina	Melaleuca suberosa
Hakea lissocarpha	Melaleuca systema
Hakea multilineata	Melaleuca systema Prostrate
Hakea orthorrhyncha	Neurachne alopecuroidea
Hakea petiolaris	Olearia axillaris Little Smokie
Hakea prostrata	Olearia lanuginosa Ghost Town
Hakea varia	Paraserianthes lophantha
Hardenbergia comptoniana	Patersonia occidentalis
Hemiandra pungens	Pimelea ferruginea
Hibbertia subvaginata	Pittosporum angustifolium
Isolepis cernua Fairy Lights	Ptilotus polystachyus
Isotropis cuneifolia	Regelia ciliata
Jacksonia furcellata	Regelia inops
Jacksonia sericea	Rhagodia baccata
Jacksonia sternbergiana	Rytidosperma caespitosum (syn. Austroanthonia caespitosa)
Juncus kraussii	Scaevola crassifolia
Juncus pallidus	Scaevola thesioides

Plant list below to be used as an indication of available species being propagated by Apace Nursery. Quantities and availability subject to change

Genus & Species
Sphaerolobium medium
Spinifex longifolius
Sporobolus virginicus
Stylidium adnatum
Suaeda australis
Templetonia retusa
Themeda triandra (australis)
Thryptomene hyporhytis
Thryptomene repens
Verticordia plumosa
Westringia dampieri
